Mosquito Spraying Scheduled to Combat West Nile Virus

Senior Public Information Officer Lindsay Weisenauer from City of Dublin · 1d ago

Mosquito traps set weekly throughout Dublin confirmed positive West Nile Virus in part of the City. Due to the positive tests, spraying is scheduled for the central areas of the City on Monday, September 12. The area to be sprayed is shown on the map included.

Spraying is scheduled to start around 8:45 p.m. and takes several hours to complete. The spraying is weather permitting.

WNV can be ... [View more](#)
